

Seven Ways to *Gain Visibility*

There are countless ways for you to become visible right now, to stand out and get noticed, and to have others recognize you. Don't wait for your comfort level to improve or until your next promotion. Start right now.

1. Seek out projects.
2. Leverage your manager.
3. Gain face time with top executives.
4. Find cross-departmental opportunities.
5. Become involved outside your job.
6. Speak up and share.
7. Become known and recognized.
