GETTING AHEAD - *Apply PVI Model for Career Advancement*

5 Tips for Working Smarter, Not Harder

Regardless of our background, location, or profession, there is one language that is the same, and that language is the language of progress. Progress certainly comes from putting in the hard work, but working hard is not enough.

LESSONS FROM LEADERS - *In-depth Profiles*

Judi Dench's Advice to her 30-year-old self

It is no overstatement to say that Judi Dench is one of the most formidable acting talents of her time – 55 industry awards, an illustrious stage career and a Best Supporting Actress Oscar for an eight-minute turn in Shakespeare in Love attest to that.

CAREER CENTRAL - *Tips for Career Changers*

How to Leave a Job Gracefully

Why do talented, bright and capable people figuratively burn their bridges behind them? Don't they realized that if they are staying in the same industry or geography, they might want to conduct business or establish some sort of relationship with previous employers and colleagues...

~ Morihei Ueshiba

"The task of leadership is not to put greatness into humanity, but to elicit it, for the greatness is already there."

~ John Buchan

"If you really believe in what you're doing, work hard, take nothing personally and if something blocks one route, find another. Never give up."

~ Laurie Notaro

What Women Leaders in Every Business and Industry Need to Know to Survive

You know your value. You know you add to the company in ways that enrich it. However, women leaders in business and industry need to quantify their value and convey their worth to others so they can continue their upward path to success.
