"Leadership is simply the ability of an individual to coalesce the efforts of other individuals toward achieving common goals. It boils down to looking after your people and ensuring that, from top to bottom everyone feels part of the team."
~ Frederick W. Smith

"More than half of the people who leave their jobs do so because of their relationship with their boss. Smart companies make certain their managers know how to balance being professional with being human. These are the bosses"

*who celebrate an employee's success,
empathize with those going through
hard times, and challenge people, even
when it hurts."*

~ Travis Bradberry
