## The New Approach To Work-Life Balance (That Actually Works)

Of course, we'd all love a little more balance (I'll take more beach time than you very much!). But it's more than that. We need it. Because today's "always on" mentality has serious consequences...

## 'Fear doesn't belong in the corporate environment': SAP's Jennifer Morgan, named one of the most powerful women in business

Fortune magazine named SAP executive Jennifer Morgan to its 2018 list of "Most Powerful Women". It described her rise at the German software giant as "speedy." Morgan doesn't exactly agree with that characterization. Morgan, who has been with SAP for 14 years, said the world of business had changed drastically since she entered the workforce...

## Shining a Light on Self-Awareness

---

If you've held a job for any length of time, there's a good chance you've worked with an overly assertive person -- someone who pushed too hard and maybe could even be described as a "jerk". There's also a strong likelihood that individual doesn't have a clue as to how they come across...
