## This is the Tony Robbins Interview You Must See! - The Mindset of High Achievers

You don't wanna be the richest man in the graveyard. That's not going to do it. If there is energy, if there is vitality, if there is strength it's gonna show up in your business. That's something you got to master. You can't dabble. It's too important. Emotions are everything...

## Network after Work

It's not about the alcohol consumption. It's all about building and improving relationships. Sequestering themselves away from the drinking crowd is the main reason why non-drinkers lose these opportunities, according to a study at North Carolina State University...

## Perfecting Your Resume (Checklist)

"Most of the time, people just dive head-first into the resume, with a purpose of including everything and the kitchen sink," according to Dawn Rasmussen, certifies resume writer and founder of Pathfinder Writing and Career Services. But, "without a checklist, people often end up including non-essential information and forget critical things."...

## The Keys to Forming Effective Teams

America loves teams and team players, even outside of sports. What's not to love? Team players are selfless - they set aside their personal goals and focus their talents on coordinating efforts with their fellow team members to achieve a common goal...

*"A leader takes people where they want to go. A great leader takes people where they don't necessarily want to go but ought to be." ~Rosalynn Carter*

*"In a lot of ways, success is much harder than I thought it would be. I figured that you'd get here and then everything would be happily ever after. But, it's hard work, almost harder once you're successful because you've got to maintain it." ~Steven Wright*
