Why the Best Leaders Know How to Be Vulnerable

It's true that the most successful agents I worked alongside were brave, but it wasn't the bluster that shoves people out of their way or abuses power. The best leaders are those who have the courage to be themselves...

- **Travel and leisure industry has the highest satisfaction rate:** Job satisfaction varies across industries. Around 72% of the industry's employees are happy with their workplace. It's followed by the automotive industry with 69% satisfied workers. (Qualtrics)
- **Air, light and temperature affect employee productivity:** In terms of happiness and productivity at work, statistics show that 33% of the workforce lose an hour's worth of productivity due to environmental factors. In a survey, View found that 1 in 4 employees say good air quality enables them to exert their optimal effort at work. Nearly 40% of workers prefer natural light, while nearly half want their
